

## Audit Recommended Improvements

- Energy efficiency improvements must be recommendations from an audit arranged by Jackson Electric Cooperative or a cooperative approved partner.
- Rebate not to exceed 50% of the cost of energy efficiency improvements up to \$500. Cost can include material and professional labor. The cost of the audit is not included.
- The audit must be a comprehensive audit including a written report.
- The audit report must indicate the improvement will result in electrical or fossil fuels reduction or efficiency.
- Improvements from one audit qualifies for this rebate.

Contact our office for more details on the qualifications for this rebate.

## Agricultural and Commercial

Agricultural and commercial members who install certain types of energy saving equipment and/or incorporate energy efficiency measures may qualify for custom rebates. Please contact our office for details.

Exhaust fan.....	\$1/inch diameter
Circulation fan .....	\$1/inch diameter
Dairy plate cooler/well water pre-cooler .....	\$500/unit
Dairy refrigeration heat recovery with electric backup .....	\$300/unit
Low/zero energy livestock waterer.....	\$50/unit
Scroll refrigerator compressor .....	\$30/HP
Variable frequency drive.....	\$30/HP

Please go to [www.jackelec.com](http://www.jackelec.com) or contact our office for rebate requirements for the above-mentioned equipment.

## Terms and Conditions

Jackson Electric Cooperative reserves the right to verify sales receipts before issuing rebates. Rebates less than \$250 will be issued in the form of a credit to the member's electric account. Please allow four to six weeks to process the rebate application.

Jackson Electric Cooperative does not guarantee that the energy conservation products purchased and installed under this program offer will result in energy and cost savings. Jackson Electric Cooperative reserves the right to deny or limit any rebate.

For additional rebates or to obtain rebate forms, go to [www.jackelec.com](http://www.jackelec.com) or contact our office.
